## INVITATION LETTER

On the Batumi Cardiology Days 2016 of BAU International University Batumi.  
Batumi, 03-05.06.2016.

Batumi, 18.04.2016.

Dear colleagues!

We have the honour to invite you to participate in a Batumi Cardiology Days 2016, which is held in Batumi 04-05.06.2016.

The program of this meeting is to exchange the latest experiences through lectures, discussions and exploring new ideas in the field of clinical research as well as ways of solving problems of organization health protection by prominent cardiologists of two countries.

The purpose of the meeting is to improve health care in cardiovascular diseases, cardiovascular protection, hypertension in both countries, introducing the acquired knowledge in scientific meetings like this which will be organized in Batumi.

For these reasons, we expect of you to respond on this invitation for your active participation on Batumi Cardiology Days 2016, together with other colleagues from Turkey to confirm the high expectations of the scientific community of this meeting.

We expect about 21 doctors from Turkey and at least 70 doctors from Georgia at this event, so it is important for us to confirm your participation, as soon as possible, in order to realize this scientific event in the best possible way.

Bearing in mind that there are the traditional collaboration of a large number of doctors from Georgia and Turkey, we hope you will be pleased to respond to this call.

Sincerely,  
Prof. Dr. Ismet Dindar  
Rector of BAU International University Batumi
